

Packing List

Weapons & Equipment

- A mid-range calibre rifle is suitable for a plains game safari
- .270, .308, 7mm, 30-06, .338 or similar are all suitable calibres
- Always hunt with the rifle you feel most comfortable with
- Variable scope 2-7, 3-9 etc. can help
- Rifle sling
- 60 rounds of Ammunition (good quality soft point)
- Belt style cartridge holder
- Locking hard gun case for travel (we have soft cases for travelling while we hunt)
- Binoculars
- Camera (extra batteries)
- Video camera
- Enough memory
- Flashlight
- International voltage converter (Radio Shack)

Clothes & Miscellaneous

- Pairs of cotton trousers
- Shirts cotton (long and short sleeve)
- Hunting coat or lightweight down jacket (brown, green, kaki or camo)
- Hat or cap
- Belt
- Pair of camp shoes.
- Pair of boots, lightweight, preferably waterproofs
- Wool or down sweater
- Pair of lightweight gloves
- 3 under shorts

- 3 undershirts
- 3 pairs of socks
- Chapstick
- Suntan lotion
- Sunglasses
- Personal travel kit (razor, etc.)
- Candy (for a sweet tooth)
- Tick repellent

Notes

- Nights are cool in South Africa, a jacket is usually required on a truck or at the Campfire
- Laundry is done daily
- Camouflage is acceptable in South Africa
